About Us

Our journey began with a mission to create a thriving music community where artists and fans could connect through the magic of live performances. Over the years, we have hosted countless memorable shows that have left audiences spellbound and coming back for more. Our team is dedicated to discovering and showcasing emerging talents while also bringing well-known artists to Boise's stages.

At Duck Club, we believe in the power of music to bring people together and create lasting memories. From cozy, intimate venues to larger, high-energy spaces, we ensure every event is a unique experience tailored to the artist and the audience. Our meticulous attention to detail in every aspect of event production guarantees a seamless and enjoyable experience for everyone involved.

We book stellar shows and performances — most notably at our flagship festival **Treefort Music Fest** (each March), as well as throughout the year at our brick-and-mortar space **Treefort Music Hall**, its intimate upstairs bar **Hap Hap Lounge**, and the historic **Shrine Social Club** (Ballroom and Basement stages). Additionally, Duck Club Presents curates concerts and events at stages throughout the Treasure Valley and across Idaho.

HR Benefits to Treat Your Employees To Culture.

Discounted tickets are designed for large companies that can't cover the cost of every employee's tickets, but want to provide their employees with a discount on Trefort passes.

These packages will be negotiated ad hoc based on the company's needs. The company will provide us with the dollar amount they want to spend and the number of tickets they want discounted. We will calculate the discount from there.

Example: \$10K with 100 tickets, each ticket would get a \$100 discount on any ticket.
